TRANSFER STATION GUIDELINES

- Transfer Station is open to residents and land owners of the Town of Roxbury only. Users must first obtain a permit sticker from the Town Clerk.
- Permit Sticker must be clearly visible on any window of the vehicle.
- Only wastes and recyclables generated within the Town of Roxbury will be accepted for disposal.
- All solid waste deposited in plastic bags must be in **clear plastic bags**.
- To prevent litter, NYS law requires all loads to be **covered** during transport.

COMMERCIAL HAULERS

- Haulers unloading at the same time as the public must give the public first approach to the compactor and are required to follow any special instructions given by the Transfer Station Manager.

SPECIAL WASTES

- **Paint cans** with residual paint must be **dried out or filled with cat litter** prior to disposal. **Empty and cleaned** paint cans can be recycled with scrap metal.
- **Mattresses and bulky furniture** are considered

construction and demolition debris. **Box springs** must have the **fabric and wood removed** for recycling with scrap metal.

- **House/Apartment clean outs** are subject to all solid waste and recycling guidelines.
- **Litter clean ups**, illegal dumping and litter in black bags will be investigated to identify the illegal dumper.
- **Appliances** that do not contain freon are accepted at the Transfer Station.
- **TV sets and computer monitors** are accepted in the electronics box.

PROHIBITED MATERIALS

- **ANY JUNK VEHICLE , BODY OR CHASIS**
Bring to a scrap dealer
- **BATTERIES** (Automotive and Household)
Bring to Solid Waste Management Center in Walton for recycling
- **BURN BARRELL ASHES**
- **DEAD ANIMALS AND CARCASSES**
Lime and bury animals and carcasses on property
- **HAZARDOUS OR TOXIC MATERIALS**
Includes: fluorescent and mercury vapor lights and ballasts, transformers and

pesticides. Save for **CLEAN SWEEP** event in the Fall

- **LEAVES, YARD WASTES, GREEN OR LEAFY WOOD**
Chip and/or compost this material at home
- **LIQUIDS OF ANY KIND**
Paints must be dried or mixed with cat litter
- **REFRIGERATORS, FREEZERS, AIR CONDITIONERS**
Bring freon containing appliances to the Solid Waste Management System in Walton for recycling
- **USED MOTOR OIL & ANTIFREEZE**
